Must complete a total of eight classes within 24 months of first class and close on 2 mountain properties (as either buyer's or seller's agent) to obtain CMAS designation. At least four of the eight classes must be core classes. Must complete one (1) class per year to maintain designation, following the year designation was earned.

It is the responsibility of the Licensee to retain certificates for record keeping purposes. MMAR assumes no liability for misplaced certificates.

To what address would you like your certificate and pin mailed?
